CROSSFIELD RED CROSS SOCIETY LAYS PLANS FOR ANNUAL MEETING

CROSSFIELD—On Dec. 7 the Crossfield Red Cross Society hopes to have a large attendance at its annual meeting, which is to be held in the Community Memorial Hall on the above-mentioned Thursday, at 8:00 p.m. sharp.

Mr. Shave is scheduled for the feature address, preferably on the Red Cross work in the devastated, flood-ridden areas of Manitoba. Those who had the privilege of meeting and listening to Mr. Shave at previous meetings will find, as they have, here-to-fore, a dynamic character, charged with the knowledge of his subject. He is not a dry speaker, on the contrary, his talks, however serious, are sprinkled with the right proportions of good-natured humor. To those who have not met Mr. Shave, we ask that you come and do so, and promise that you will go away happy and also with a greater understanding of the work that lies nearest to his heart. For your entertainment pictures will be presented, not necessarily pertaining to Red Cross. There will be coffee and doughnuts served free to everyone, but please remember that children must be accompanied by their parents.

At this meeting it was decided to have the nominating committees present a suggested slate of officers, but nominations from the floor will be in order. There will be a review of accomplishments of the Red Cross branch here throughout the year, which will be presented by the committee chairman. Also reports from the East and Madden Auxiliaries, assisted by their executives. Bill Walker is receiving grateful thanks for a donation of an oxygen tank, two ambulance stretchers and a hospital bed. All these, together with pictures taken at our last blood donor clinic and those taken at the Crippled Children's Hospital and Blood Depot during the Cavalcade, will be on exhibition in the merchants' stores

on main street. Please remember the date—Dec. 7, 8:30 p.m. Every one welcome!

Red Cross Appoints New Treasurer

CROSSFIELD—At a recent Red Cross meeting, Brock Campbell was appointed as treasurer, to fill the vacancy left when Jack Moir was moved to the Bank of Commerce in Calgary. At this meeting the executive made preparations for their big annual meeting, which takes place on Nov. 7 in the new hall.

We noticed a nice picture in the Albertan of the High River Flyers, who escaped the 1949-50 championship in the big six hockey league. Crossfield has every reason to be proud, for in it are two local boys, Donnie and Jimmie Stevens, who are chips off the old block, for their dad was a good hockey player and still is a fine skater.

MADDEEN MURMURS

Jesse Havens and Reg. Sharp are proud possessors of new Chevys.

There was a large crowd in attendance at the Dog Pound chicken supper and dance, which had for its orchestra the Melody Five.

Keep in mind the dance sponsored by the Athletic Club in the Madden Hall on Dec. 8. The proceeds will go to swell the funds for the skating rink.

The installation of lights for the skating rink is in progress at the present time.

Four Old Timers Die In Crossfield

CROSSFIELD—While the old-timers are getting ready for their annual round-up, Nov. 29, they feel very keenly the loss of four old-timers in the course of a couple of weeks. Geo. Kinney, John McCaskill, Mrs. Christianson and George Becker. This year our committee on necrology has a very long list of names, which reminds us that real pioneer stock is fading fast. What a lot we owe to those great people who have paved a way for us, and as we bow our heads in the two minutes silence, which is always observed at our round-up, they will be with us in the Spirit.

Mrs. Christiansen, 92, Laid to Rest

Rev. C. W. Anderson officiated at services Monday in Crossfield United Church for Mrs. Andrew Anna Christianson, who died Tuesday in General Hospital. She was buried in Crossfield Cemetery, under the direction of McInnis and Holloway.

Funeral services were William McCrimmon, Art Heywood, C. Casey, H. Anderson, William Laut and Frank Laut.

Radio Star Is Top Golfer

Baritone Bernard Johnson, top song-man on the national radio show 'Musical Kitchen', is rated one of the best golfers in the country. Here he helps songstress Terry Dale line up a putt while announcer Elwood Glover looks on.

CROSSFIELD NEWS BRIEFS

Rev. J. W. McDonald of the Baptist Church, has gone to Vancouver on church business. His trip will not be a long one.

Mr. Jensen and Mr. Lightfoot have returned from their trip East. The former has a nice new Pontiac in his possession and it is a fine looking car.

Mrs. Margaret Mason and Mrs. Betty Stevens have each recently entertained the Young Married Ladies' Sewing Club. The girls take their sewing and knitting and enjoy a delightful lunch and social evening.

Mrs. Maeve Edgar was a recent visitor to Edmonton. Although the trip was a short one, it was enjoyed.

Mr. and Mrs. Jim Rhodes and J. Brown of the Local Commerce bank, were Calgary visitors this week-end.

Mr. and Mrs. Clarence Richardson were delighted with a short visit last week from the former's brother, Mr. Ernie Richardson of Kimberley, B.C., formerly of Carstairs.

Charles Fox, reeve of the municipal council of Mountain View, attended the Municipal Convention in Calgary, commencing on Tuesday, Nov. 21.

Mr. Hank McDonald made a trip to Edmonton to take his brother to the University Hospital last week.

The weather in Crossfield has been anything but nice the last week. The mercury dipped to 25 below zero at times and a bitter South wind let us know that winter was here with a vengeance.

Mrs. Freda Ballam was admitted to the General Hospital on Saturday, Nov. 25, where she will have a major operation performed by Dr. F. D. Wilson. We wish her success and a speedy return to health.

The East Group of the Crossfield Red Cross Society held a very profitable sale of home

cooking and a delightful tea in the Community Memorial Hall, on Saturday, Nov. 25. From all reports to date, the grand sum of \$120 was raised. Gordon Shave of Red Cross note, of Calgary, was present to organize a little for the annual meeting.

The Crossfield Home and School have of necessity changed their date of meeting to Dec. 5. Their regular meeting was always the third Thursday, but its proximity to Christmas made that date impossible. It was then set for Dec. 7, but due to a meeting previously set by the Red Cross for that time, it was then confined to Tuesday, Dec. 5. So, Home and School members please keep Dec. 5 in mind for the next regular meeting.

Mrs. Frank Laut was taken back to the General Hospital, following a few little heart spells, which treatment there is of valuable assistance. Mrs. Laut hopes to be out in a few days and is reported much better to date.

Mr. and Mrs. Edlund have had several visitors recently. On Saturday, Nov. 25, Gordon Shave called in connection with Red Cross, and on that day Jerry McGill, former telephone agent in Crossfield, stopped to renew acquaintances. On Sunday, Mr. and Mrs. Frank Brown, old friends from Clareholm, paid them a visit.

Wilda and Mike Charney took in a ball in Calgary on Friday, Nov. 24.

Pat Kimmets' son was among those who were participants in the big train wreck in the Rocky Mountains.

Mrs. W. Stewart is home and recovering nicely from polio. Everyone in town is over-joyed at her progress.

Margaret Rowatt and Mary Fadden spent a few days' holiday at Stettler, where they visited Margaret's sister and friends. They reported a good time, but they

Lions Club Holds Ladies' Night

BEISEKER—On Monday evening, Nov. 20, the Beiseker and Irricana Lions Clubs held a joint social evening on the occasion of the visit of the District Governor, Heber Merrill, District 37C. Lion Merrill hails from Lethbridge, and braved a cold, stormy night to attend the meeting. Visitors included two carloads of Lions and ladies from Carbon, and a whole bus load from Bowness.

A very enjoyable and tasty banquet was served at 6:45, followed by a short program and a most interesting talk on Lions by District Governor Merrill. The company also enjoyed some community singing, then repaired to the ballroom where they enjoyed the music of Cliff Harvey till 1:00 a.m. This is the second joint ladies' night sponsored by these two clubs, and from all accounts there will be many more.

Mrs. Stan Olsen Feted In Beiseker

BEISEKER — Miss Vera Schmalz, assisted by Mrs. Elaine Bunyan, Miss Loretta Hagel and Miss Isabel Ternes, entertained in the Beiseker Memorial Hall, Sunday evening, Nov. 25, in honor of Mrs. Stan Olsen, a recent bride.

An enjoyable evening was spent playing court whist, with the honors going to Mrs. Ed Schwartz, engerber and Mrs. Ken Wright. Mrs. Dorse Olsen played several piano selections whilst the lunch was being served.

Mrs. Elaine Bunyan, on behalf of the guests, presented the honored guest with a complete table setting for eight, glassware and flatware.

Kneehill Delegates Attend Convention

BEISEKER — Mr. Matt Schmalz attended the Alberta Association of Municipal Districts Convention held in Calgary on the 22nd, 23rd and 24th, as a delegate for the Kneehill Municipality. He reports that the convention was very successful, and brought back a couple of highlights that he thought might be of interest to the people.

First is the proposed County Act, which was thoroughly explained by Hon. C. E. Gerhart, Minister of Municipal Affairs. A resolution was passed asking the government not to bring the County Act into force without first taking a vote of the ratepayers concerned.

Second was a resolution asking legislation to enable the municipality to collect the dues for the Farmers' Union. This was hotly debated, and turned down.

Card of Thanks

We wish to thank each and everyone who expressed messages of sympathy and for the beautiful floral tributes received in our recent sad bereavement.

— Mr. C. Christiansen and family.

came back minus a pair of shoes. Don't forget the High School play, "The Family Next Door," which will be presented in the Community Hall by the Crossfield students, on Thursday and Friday, Dec. 14 and 15, at 8:00 p.m. sharp. Their reserved seats sell for 75 cents, regular for 50 cents. The students may be contacted for tickets.

Radio for Railways?

Some years ago an American statistician (a fiend who makes figures and percentages out of every human activity) figured that by comparison of death and accident figures a passenger in a Pullman car on a regularly scheduled passenger train was safer than he would be in his own home. A passenger, he said, on a regular flight of any domestic Airlines plane was safer than he'd be in his own automobile.

Last week a special flight missionary plane was lost on a mountain peak—all 21 passengers and crew perished. A special troop train met disaster with 20 dead in the Canadian Rockies. A special Thanksgiving eve passenger train in eastern New York wrecked and took nearly 80 to their death.

It seems that special trains running at irregular times are more prone to accident than regular runs. But we think the CNR, Long Island Railroad and others could instal short wave radio on all locomotives. Under present system, once a train runs past a telegraph station there is no way to signal it until it gets to the next whistle stop. And then it may be too late. By short wave radio the dispatcher could easily intercept any train in his division at any point. Each moving train could be kept in touch by conversation between engineers with other trains, and avoid disaster due to incomplete or incorrect dispatch information.

More Men Wanted

Just as the 1950 harvest season draws to a disappointing close, with poor Alberta crops and poorer harvesting weather, a bright spot shines in the winter economy. Due to increased orders for lumber and pulp wood, more and more men are badly needed for the bush this winter.

The industry needs workers for all phases of the winter operation, and unskilled labour is at the present moment being combed among displaced persons in Europe. Certainly, with an expanding lumbering industry more men should be brought in from abroad if necessary to supply our requirements.

But the industry also needs young, healthy and intelligent Canadians who will make a career of the business. Men who can take charge of work parties, scalers and timbermen are wanted.

Near Petawawa, Ontario, a clump of pine 200 years old is meeting the woodsmen's axe this winter. There are thousands of acres of good standing timber here in Alberta that can be translated into more purchasing power for our province. Young men and older men too, who are not tied down to the farm for the winter months should make application for a winter lumbering job. Good wages are paid and food and lodging is provided.

The late harvest has retarded the seasonal drift to the bush, so able workers should go in as soon as possible.

Scriptural Meditations

"Our God is a tender, merciful Father. His services should not be looked upon as heart-saddening, distressing exercise. It should be a pleasure to worship the Lord and to take part in his work. God would not have his children, for whom so great salvation has been provided, act as if he were a hard, exacting taskmaster. He is their best friend; and when they worship him, he expects to be with them, to bless and comfort them, filling their hearts with joy and love. The Lord desires his children to take comfort in his service, and to find more pleasure than hardship in his work. He desires that those who come to worship him shall carry away with them precious thoughts of his care and love, that they may be cheered in all the employment of daily life, that they may have grace to deal honestly and faithfully in all things."

Note and Comment

FOR CHRISTMAS?

Rt. Hon. J. G. Gardiner, federal minister of agriculture, thinks there is still a chance of increased funds being made available for the final Wheat Board payment. Let's hope the funds can be "made available" in time for Christmas (1950)!

PERMANENCY

A newspaper advertisement is different to a "plug" on the radio. If you aren't listening intently when it's on the air, you miss it. But a message in the paper is permanent, because the paper can be kept indefinitely.

Only God Can Make You Sober

By T. W. PUE

Brother, if you're an alcoholic, you need conviction in your heart and soul. You've got to quit making promises and make a decision. You've got to quit your crooked thinking that you are the master and frankly and humbly admit you're the mastered.

If this sounds like a preacher talking to you, and you like to hear preachers, okey. But this is no preacher and it's not me that's telling you. It's a brother alcoholic like yourself, who came to realize it was the first drink he took that was driving him to hell, and who is telling you straight from the shoulder you need a Higher Power to save you from your utterly hopeless condition. Who is this fellow? What's his name? I can't tell you his name, because he remains Anonymous. But I was talking to him today and he tells me if you honestly want to quit drinking he'll help you. His address is Alcoholics Anonymous, 9823 108 Street, P.O. Box 134, Edmonton.

If you'll quit evading the truth about your condition, and honestly admit you need help, he'll help you. But don't go to him and think you can fool him the way you fooled your wife and mother all these years with your lying promises, because he's got you sized up already. So don't think you can get help unless you're honestly willing to face the issue and tell the truth.

Your Need Is Spiritual

If you take Antabuse, you'll be on the wagon for a week, and then as soon as the drug wears off you'll be drunk again.

They've got a new fangled injection that writer Paul de Kruif has mentioned in Readers' Digest. But it won't help you. Your condition is physical, alright, but it's also spiritual. As members of A.A. say you've got to get "right thinking" and call on that Higher Power, which to you may be Jehovah, God, or Jesus Christ or whatever your conception of the Almighty is.

Without such spiritual reformation you'll be like the Edmonton alcoholic who, having taken the dry cure at Ponoka, got off the CPR train at South Edmonton Station instead of on the North side where his friends were waiting for him. He headed right for the Government Liquor Store and stumbled home hours later—four sheets to the wind.

Your Need Is Today

It isn't any use for you to swear off drinking forever. You know you've done it before, and you know you've never kept your oath or your promise. If you swear off again your lying, and you know it.

You know you can't drink like a normal person, so when you've admitted that much you've then got to refuse the first drink. It's not the tenth, twelfth or twentieth drink that does you harm. It's the first one. So, when you have this conviction, make a decision with God and yourself that today you won't drink. And each day humbly make that decision day after day. You'll find

—that He hath promised,
Power from above,
Undying sympathy, unchanging love.

Your Need Is Shared

Members of Alcoholics Anonymous are some of the finest men I've met. They know that as practising alcoholics they were dragged from gutter to prison cell and back to gutter again. Most hospitals don't like alcoholics, although some have wards for them. Anyway, hospitals only help patients out of the acute stages.

They know alcoholism is the fourth most dangerous fatal disease on this continent, but that doctors prefer to list secondary causes of death on certificates to save the feelings of loved ones.

They believe we need a more moderate approach to the drinking problem. They have ideas about improving our laws. But above everything else they know that they themselves can't drink—that they never can drink again.

They know that by helping others, they are "working out their own salvation." So—if you're one of those one-out-of-ten whose drinking is wrecking your life, and you are honest with yourself, call on the friendly A.A. members.

But if you aren't convinced you're an alcoholic, better wait. Wait until your wife leaves or divorces you. Wait until you lose your job. Wait until your children disown you. Wait until your creditors make life intolerable for you. But, please don't wait until your doctor fills out your death certificate. A corpse doesn't drink, anyway.

WOMEN CAN

Christianity vs. Science

Dear Sir:

Like to set Reader "(no name)" right on points" in his rough and mistaken letter of November 15.

While Christianity Believes in Creation, Science teaches Changing of Matter. We can see this proven all through life whenever anything is grown, made, or manufactured, there is always needed the raw material and this process only changes form, and Reader will see coming generations except modern education and science only.

I've just read in your paper letter that Socialized Hospital Service is better in England than free enterprise hospitals here. Then in another paper I read that England shipped 1,500 tons of the best Malayan rubber from London to Moscow a few days ago. Are we supporting the British with good Canadian wheat so they can send war supplies like rubber to Russia to fight our boys in Korea?

Peace Prescription:

There is but one main cause of wars and misunderstandings — racial differences and prejudices. The only way to really unite this world will be through mass marriages among people of all races and nations. Let us through the UN, so encourage marriage between English, Russians, Negroes, Orientals, French, etc., that in a few generations mankind will have no biological differences. Then man will be very, very happy forever.

I was never more disgusted than when I read Mr. Pue's article supporting the power companies

instead of a Government Power Commission. It is the only way we'll ever get rural electrification, but if reactionary vipers like you don't change your tune soon this may take longer than necessary. Just let this Government or any other give us another chance to vote and we'll get it!

Red vs Religion

In the view of the totalitarian governments, the bodies of their subjects belong to the state, for gun fodder or any other purpose. This is the one great reason why Communism cannot triumph. The Scriptures make the wise and consistent provision that the taxes of man belong to Caesar but his body to God. And religion has always been greater than any Caesar.

Search for Talent Draws Record Crowds In Province

Northern Alberta's Search-for-Talent Shows continue to break attendance records.

Interest in the shows, sponsored jointly by the Edmonton Branch of Associated Canadian Travellers and Radio Station CERN, reached a new high at Sanguo, Nov. 11, when a record figure of more than \$800 was raised for Northern Alberta's Crippled Children's fund.

The Search-for-Talent show has appeared at Thorhild, Viking, Sanguo, Ryley, and Lamont, and at each place overflow audiences

have been on hand to witness local talent competition and to enjoy The Zany 50's, a pre-broadcast comedy presented by a group of well-known Edmonton artists who constitute part of the Search-for-Talent cast.

The show is scheduled for Evansburg on Saturday, Dec. 2, and according to latest reports from there the residents and many from communities surrounding Evansburg, are out to make it an outstanding success from every angle.

Local officers in charge of entries for the Search-for-Talent competition urge all prospective contestants to be at the hall no later than 4:30 p.m. Saturday for final auditioning.

The show will commence at 7:00 p.m. and it will go on the air over CERN at 8 p.m. The portion of the show featuring local contestants will be broadcast.

Following Evansburg the Search-for-Talent program will appear at Willingdon, Dec. 9 and Devon, Dec. 16.

REDWATER SHIP TO CARRY OIL

The Imperial Redwater, named after Canada's largest oil field, slid down the ways in a perfect launching at Port Arthur last week.

Mrs. C. D. Howe, wife of Canada's minister of trade and commerce, christened the big ship with traditional champagne.

The hull took eight months to build but was launched in only seven seconds.

The new tanker and her sister ship, the Imperial Leduc, are the largest freshwater tankers in the world and the largest ever built in Canadian shipyards. They will go into service next spring, moving oil from Superior, Wis., to Ontario refineries.

Superior is the terminus of the 1,127-mile Interprovincial pipe line from Redwater. Each tanker is expected to move about five million barrels of oil in a season.

The Redwater is 620 feet in length, 68 feet wide and 35 feet in depth. Speed is 13 knots or 15 miles per hour, with turbines of 4,500 horse-power. Each ship will make a round trip between Sarnia and Superior in five days.

The ships will carry a crew of 36.

The Imperial Redwater was built by the Port Arthur Shipbuilding Co. Ltd., for Pipe Line Tankers Ltd., at a cost of about \$4 million. Imperial Oil will charter the ship for a 15-year period.

Alberta scored spectacular wins in the Royal Winter Fair at Toronto last week, walking away with a handful of awards. Here cattle come under close scrutiny as representatives from all provinces join in the judging. Scene shows part of the junior competitions at the fair.

Blood Donor Clinic Response Splendid

BEISEKER—The response to the second Red Cross mobile blood clinic held this year in the Beiseker Memorial Hall was splendid, with around 100 donations of blood being given by local citizens.

Local arrangements were in charge of Mrs. A. A. Wald, convener of the blood donor clinic for the local branch and committee. Mrs. K. Killen was receptionist and Mrs. Frank Schmaltz the registrar.

Refreshments were served to the donors by Mrs. A. Velker, Mrs. D. B. Olsen, Mrs. J. Selzler and Mrs. Fred Meidinger. The tubes were looked after by Mrs. Carl Lohrke and Mrs. W. Schissel. Local nurse was Mrs. W. Rempel, R.N., assisted by Mrs. L. Brostéaux and Mrs. Kroschel.

The clinic staff was served dinner in the Memorial Hall.

Mrs. A. A. Wald, president of the local branch, wishes to thank all the donors, and all those who helped to make this clinic a success.

Level Land Society Meets

LEVEL LAND — The S.D.A. Dorcas Society of this district held their annual sale in the S.D.A. Hall on Wednesday, Nov. 22. ael Hagel's, Jerry Verheest's and F. H. Wright's confined to their homes due to Rose Marie Hagel, Jack Verheest and Leighton Wright being ill with scarlet fever; Miss Margaret Weisberger recuperating from the mumps; Teddy Hagel is confined to his home for five or six weeks due to some minor troubles resulting from his polio illness early in the fall; Dora Schultz has a rather rare disease—the shingles, which is very unpleasant, and Mr. R. Wegener is confined to the General Hospital with rheumatism. Little Ralph Wegener has just returned home from having his tonsils removed.

Mrs. Ken Wright is substitute teacher for Miss Weisberger, who teaches Grade I and II. Beiseker is very fortunate in having a number of ex-teachers, who are able to replace our teaching staff when illnesses occur.

It is hoped that the next time the National gives away stockings with their coal, that Beiseker sees that there is a pair instead of just one! Possibly it was meant for a Christmas stocking. Was it, Val?

Mr. and Mrs. Bob Toole and daughter of Stettler, were weekend visitors at the homes of their parents.

Bill Tidy, Jr., spent the weekend at his home.

Dorothy Campbell spent the weekend at home.

Bill Hagel's are very glad to be out of quarantine, because four weeks seems nearly long when you are shut in; However, Norman is feeling very well, but has been advised to remain away from school for a little while longer.

Jack Bettin has been fortunate once again in winning first prize in the Calgary Herald County Carrier Sales Contest and is to be given a week-end trip to Calgary on Dec. 2 and 3.

LETTER TO LOUISA

Religion Causes Friction In Life of Alberta Family

DEAR LOUISA:—I do not go to any church but I try to live a good life.

I give to charities and do my part in all good causes. My husband's people are all very ardent church workers and this is causing friction between us because I will not attend my church. Don't you think I should be allowed to do as I choose regardless of what they think?

M. G. L.

Answer:

You have a perfect right to do as you please, but I can't understand your attitude in this matter. It seems to me that if it will make for happier relations between yourself and your husband's family that it would be much smarter to go than to stay away. It is not necessary to accept the creed of a church in order to go and it is certainly not going to do you any harm.

After all, you must believe in some supreme being for I don't think that any of us can accept the fact of the creation without thinking it the part of a plan. Some people think it is very sophisticated to say that they believe in nothing but they are usually people who are trying to attract attention to themselves by appearing different. Spending an hour at church each Sunday seems to me a small price to pay for harmonious family life.

You hear people say they stay away from church because there are so many hypocrites in it and there are lots of sinners there. But if you will check up you will find more good people on the inside than on the outside. You will find, too, that the church

stands for the higher things of life and that your community would be a much worse one than it is if it were not for the church's influence for good.

So why not give it a try and even if you do not accept all of a certain church's creed, it will not hurt you to attend it occasionally.

Address your letter to "Louisa," 10815 Whyte Ave.

HALF ALBERTA'S FOREST FIRES TRACED TO WINTER HUNTERS

Half of this year's forest fires in Alberta (up to midsummer) has been traced to carelessness of winter time hunters whose fires continued to smoulder under the snow and burst into flame months later, when the timber had dried. On the other hand, settlers' operations which were the chief causes of last year's fires are comparatively blameless, according to the Dept. of Lands and Forests.

Co-operation by the majority of Alberta's citizens this year resulted in a marked improvement compared with 1949, it is stated. More stringent regulations and

stricter enforcement also helped. Last year's 184 prosecutions was an all-time high, but this year authorities have found it necessary to take proceedings against only about half that number.

The spring forest fire prevention campaign undoubtedly paid dividends in the opinion of forestry officials. Officials emphasized a ministerial order prohibiting the burning of all brush piles and stumps. Effective July 1, forest officers were authorized to issue permits in any area where there had been sufficient moisture to minimize the fire hazard and where regulations had otherwise been followed.

Canada's Eskimo population numbers less than 9,000.

Fabulous Climate

A lady from Los Angeles, visiting Tia Juana, bought an alleged genuine Mexican hairless puppy from a vendor for fifty dollars.

In six months the animal had grown into a huge mongrel about the size of a Newfoundland. Once again she visited the Mexican resort and encountered the same dog vendor. In no uncertain terms she told him what she thought about the deal.

The vendor listened to her accusations patiently in pained surprise, and finally he asked: "Senora, we're you loves?"

"In Los Angeles," was the impatient reply.

"Ah, w'at you expect, Senora? In those so wonderful climate, those little pup she can's help grow bigg likea calf."

SEVENTH DAY ADVENTIST CHURCHES RALLY HELD IN CALGARY

A group of nearly one hundred persons from the Beiseker vicinity gathered in Calgary, Nov. 25, to attend a rally of six Adventist churches from various towns.

The meetings, which were held in the First Baptist Church, were planned to provide something of interest to each one present, from the young to the older ones.

Assisting Elder Streifling of Calgary, were Elders Miller, Davies, Simmons and Rock, all of Edmonton, and Swartz and Krenzler of Calgary. A composite choir from the various churches rendered several numbers, among them "Praise Ye The Lord," and "What If It Were Today?" There were also solos, duets and quartettes. Much appreciated was the Junior Choir from Canadian Union College at Lacombe, whose selections were sung with feeling and vigor.

The morning devotional provided spiritual food for thought, as Elder Miller enlarged on the text: "As many as are led by the Spirit of God, they are the sons of God." Romans 8:14. If we possess the nine fruits of the Spirit as contrasted to the seven works of the flesh as enumerated in the fifth chapter of Romans, others will know that we have the blessed Savior with us.

In the Young People's Hour, the story of redemption was the theme, given in the form of a symposium, as talks with a musical background were given by
